

## **8th Grade Parents: PLEASE READ!!**

### **STUDENT PORTAL INFORMATION FOR EVERYONE!!**

**ALL 8th graders are required to use a Student Portal Account to complete the registration process for high school** and choose their elective classes for the 2019 - 2020 school year. On Thursday, January 24th, Academic Advisors visited every 8th grade English class to provide information on how to select 9th grade electives. Students were given the paperwork required to set up their Student Portal Accounts, including all codes needed to create one. A Student Portal is NOT the same as a School Loop Account. It is NOT the same as a Parent Portal.

### **SCHOOL OF CHOICE!!**

**\*\*The School of Choice Window Opens February 1 - March 1, 2019\*\***

To find your home high school, please use [the School Locator tool here](#). If your student wishes to go to a different CUSD high school, you must go online to select your school of choice. Please go to: <https://safety-capousd-ca.schoolloop.com/SOC> for more information.

**\*\*PLEASE NOTE:** It does not matter if you are applying for School of Choice to a high school outside your home school. You will still need to select your electives at your home school during that school's open course selection window. If your School of Choice is approved, your file, along with your student's course selections will be sent to his/her new school.

### **SUMMER SCHOOL INFORMATION!!**

**Summer School** - no information is available about summer school at this time. Please continue to check the district website for applications and information as it becomes available: <https://capousd-ca.schoolloop.com/>.
